F.A.Q. ON BACK!

OTHER FREQUENTLY ASKED QUESTIONS:

What does the daily swimming look like?	Most of our swimming is done on site every afternoon at the indoor BCC pool. Our older campers will also make a weekly journey to the City Pool for afternoon swimming! Younger campers will stay in the safer, shallower indoor pool. Life jackets are required for weak and non-swimmers, and swim tests determine which campers are allowed in the deepest water at both pools for their own safety.
What does the BCC offer as a facility?	We are a recreation facility, so we have a ton of equipment and opportunities for fun! To list a few: basketball, baseball, racquetball, pickleball, gaga ball, 9 square, big screens for movies and dance videos, swimming, ping pong, pool, air hockey, an awesome playground, outdoor pavilions, a soccer field with giant sprinklers, and more!
What does Camp Berryville offer as a day camp other than the facility?	We are recruiting an incredible multigenerational staff (many with education degrees and experience as camp staff) and have corralled a considerable amount of arts and crafts supplies, rec equipment like play parachutes and costumes and balls and bubbles and much more. We're currently assembling a "rolling library" to offer books to kids during the quietest part of their day as well. (If you have donations, bring them to us! We want it to tempt them to read!)
Can I pick my camper up early or drop them off late (within the 7:30am-5:30pm time frame)?	You may, but we don't run our check-in table beyond 8am or before 5pm, so you'll need to enter through the lower entrance, check in with the front desk, and then wait while we locate their pod and direct you to them or bring your camper to you. Be prepared for it to take a bit longer, and be prepared for their disappointment if they're missing something fun by being gone! It's easiest on everyone if they arrive and leave within the 30 minute windows at the beginning and end of the day. Hint: Final Fun Fridays are hard for the kids to miss!
How many kids can participate?	To keep our camper/counselor ratio low and ensure that each age group is well supervised and isn't overcrowded in their "pod" spaces, we have a maximum of 40 campers per session. Once a session is full, we'll begin a waitlist for it and will contact those on the list if the registered campers fail to complete their payment.
What if we don't live in Berryville? Can my grandkids come when they visit this summer?	Camp Berryville is open to all kids... grandkids from out of the area, area kids from nearby towns, and anyone else who can make it to the center daily during their session! We advertise first to Berryville schoolkids but welcome everyone!
Will there be any field trips?	We're not yet sure. Finding a safe way to transport a large number of kids is difficult, and our little ones should be in carseats. We used to have access to a school bus and driver, but he has retired. But never fear-- if we have to stay put, we'll bring the fun to the kids rather than vice versa!
I have other questions that aren't listed here! Who can answer them?	Email us at camp@berryville.com and we'll be happy to answer your questions! We want you to make an informed decision about your child's summer plans and welcome your questions.
